

GLOBAL TRENDS FOR REGULATING PLATFORMS

WEBINAR SERIES

SAPI's DAIG Magazine launched a serial inquiry into the regulatory issues surrounding digital platforms in December 2020. As part of the inquiry, we are pleased to announce a series of online seminars that will cover major regulatory initiatives in Europe, U.S., China, Japan and Australia featuring legal experts from the respective jurisdictions.

The first session will discuss the EU's proposed DSA and DMA, and the recent digitalization amendment to Germany's GWB.

※ The webinar will be conducted in English.
